Own the car.  
Own the options.

 **HYUNDAI FINANCE**

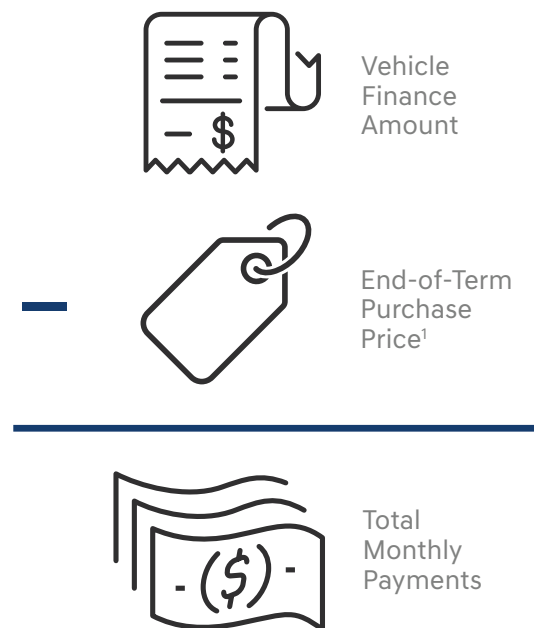

Now there's a vehicle financing option that helps you get the Hyundai you deserve. We call it **Hyundai Evolve Retail**, and it could be just what you're looking for.

## How it works

Once you have determined the vehicle you are interested in, we use Hyundai Evolve Retail to determine that vehicle's end-term value up front. We then subtract that value from the vehicle finance amount in order to calculate your monthly payments.

### At the end of your term, you can:

- Sell your vehicle to us for the End-of-Term Purchase Price
- Trade in/sell your vehicle
- Refinance your vehicle
- Pay off your End-of-Term Purchase Price and keep your vehicle

<sup>1</sup>The End-of-Term Purchase Price is your balloon payment due at maturity. You have the option to sell the car to us when the balloon payment becomes due for that amount, less any other amounts that may be due, including any past due payments, late charges, excess wear & use and excess mileage at \$0.20 per mile above your allotted contract mileage, and a disposition fee (if applicable). End-of-Term Purchase Price only applies if you elect to sell your vehicle to HMF.

See your dealer for complete program details and restrictions.
